COLCHESTER HIGH SCHOOL

SCHOLARSHIPS 2022 ENTRY

Colchester High School is committed to offering the very best education to all students with a wide range of abilities and we encourage all pupils to reach their full potential in all areas.

Scholarships are awarded to pupils for Year 7 entry demonstrating outstanding achievement, talent and/or potential in a certain subject area. Scholarships are awarded solely on merit, based on evidence gathered via a range of methods including auditions, work samples, and references.

Scholars are expected to participate fully in all School activities that relate to their scholarship award, demonstrating an all round commitment and leadership in their field of excellence. Attendance at Open Mornings and Education Days are mandatory.

The majority of Scholars receive a reduction in tuition fees during their Senior School years (Years 7 to 11). The amount and duration of the award is at the discretion of the Headteacher and depends on the level of achievement, all round commitment and leadership in the pupil's field of excellence.

Colchester High School offers Academic Scholarships in English, Mathematics and Science. Subject specific scholarships are awarded for high achievement in the following areas: Music and Performance, Creative Art, or Sport.

Colchester High School will seek recommendations from the applicant's current school as to his/her ability and level of achievement.

APPLICANTS CAN APPLY FOR UP TO TWO SCHOLARSHIPS.

All Senior School scholarship applications will need to be received by Tuesday 30 November 2021. Assessments will take place week commencing Monday 24 January 2022. All awards offered will be notified the week commencing Monday 7 February 2022.

ENGLISH AND MATHEMATICS SCHOLARSHIPS

Colchester High School recognise the importance of English and Mathematics as core subjects and we recognise that pupils have strengths in different areas and, therefore, we celebrate that every pupil is individual. Successful recipients of this scholarship will have displayed exceptional ability in either Mathematics or English but not necessarily both subjects. Applicants can apply to sit for both awards.

Colchester High School will seek recommendations from the applicant's current school as to their ability and level of achievement. Pupils will then be required to sit assessments in either English or Mathematics, or both, if an application has been made for both subjects. Applicants will also attend a brief interview with the Head of Mathematics and English.

These scholarships will be offered at the sole discretion of the Headteacher.

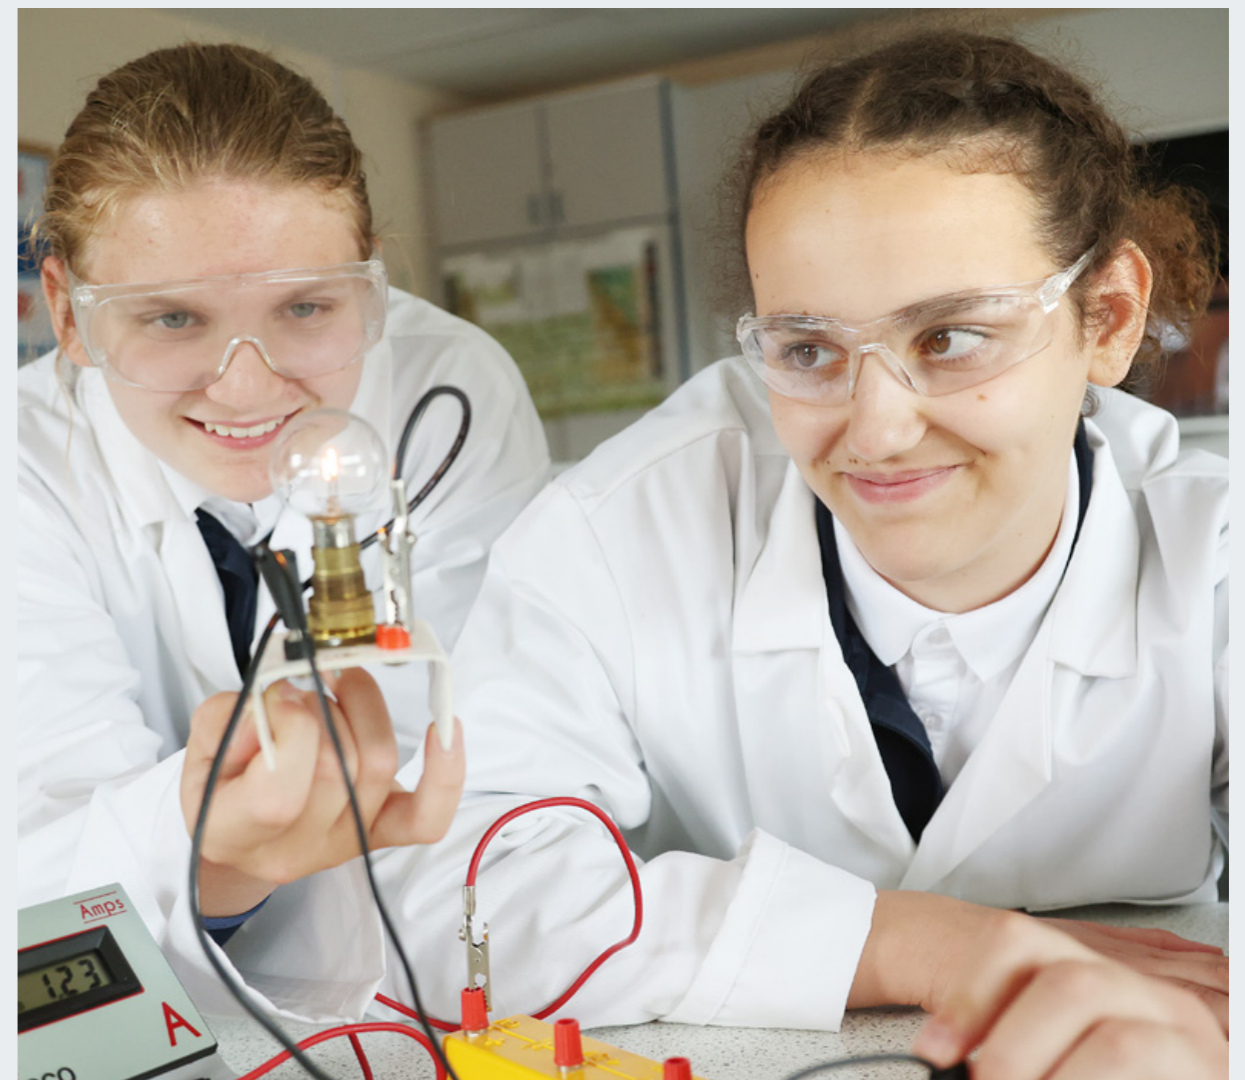

SCIENCE SCHOLARSHIPS

This scholarship at Colchester High School is an indication of the continued importance placed on Science at the school.

As well as the preliminary application form, students are asked to submit a brief document, in no more than 200 words, explaining which areas of Science particularly interest them and why. A reference from the applicant's current Science/ School teacher, with an indication of their suitability for this scholarship, is also required.

Students wishing to be considered should be able to show not only written knowledge of the subject, but also a genuine interest in the subject. Selected applicants will be contacted regarding the Science Scholarship assessment which will consist of a brief interview with the Head of Science alongside a written test and a supported practical.

Science Scholars are expected to take individual GCSE examinations in Physics, Chemistry and Biology.

MUSIC AND PERFORMANCE SCHOLARSHIPS

The school provides a comprehensive range of activities to enable successful candidates to achieve their full musical or performance potential. Students wishing to be considered for a scholarship should show commitment to all aspects of music or performance life at Colchester High School. Applicants for Music and Performance Scholarships are required to meet the minimum academic criteria of Colchester High School in the first instance.

Recipients are selected by means of an audition and interview. The auditions are intended to discover the musical or performance skills plus aptitude, potential and enthusiasm. The school has an illustrious history of success in

Creative Arts. Students wishing to be considered for a Creative Arts Scholarship should be able to show not only a good standard of artistic ability but also a genuine interest in the subject which is reflected in their out-of-school activities.

Although there will not be a formal test in either practical aspects or theory of Art, candidates will be expected to bring with them evidence in the form of sketchbooks or a portfolio of work which may include:
