Purpose of the policy

The centre is committed to ensuring that the exams management and administration process is run effectively and efficiently and in compliance with the published JCQ regulations and awarding body requirements.

This exam policy will ensure that:

- all aspects of the centre's exam process is documented, supporting the exams contingency plan, and other relevant exams-related policies, procedures and plans are signposted to
- the workforce is well informed and supported
- all centre staff involved in the exams process clearly understand their roles and responsibilities
- all exams and assessments are conducted according to JCQ and awarding body regulations, guidance and instructions, thus maintaining the integrity and security of the exam/assessment system at all times
- exam candidates understand the exams process and what is expected of them

This policy is reviewed annually to ensure ways of working in the centre are accurately reflected and that exams and assessments are conducted to current JCQ (and awarding body) regulations, instructions and guidance.

This policy will be communicated to all relevant centre staff.

The policy can be accessed in TEAMS – UK COL Academic – General – School Policies – Examination Policies. It is also available to view on the school website. Copies can be requested from the Exams Officer.

Candidates are made aware of relevant information via assemblies, candidate handbooks and documentation on their year group Teams folder and the school website.

Roles and responsibilities overview

The head of centre is the individual who is accountable to the awarding bodies for ensuring that the centre is always compliant with the published JCQ regulations and awarding body requirements to ensure the security and integrity of the examinations/assessments. This individual must have the authority to deploy the necessary resources to ensure that the centre is always compliant in meeting those published JCQ regulations and awarding body requirements.

Heads of centre must ensure that senior leadership teams and exam office personnel familiarise themselves with the entire contents of JCQ *General Regulations for Approved Centres* booklet. In particular, heads of centre must familiarise themselves with sections 5.1, 5.3 and 5.4.

Heads of centre must ensure that relevant members of staff respond promptly to requests for information from awarding bodies relating to the administration and conducting of examinations/assessments. ([GR](#), section 1)

The examinations officer is the person appointed by the head of centre to act on behalf of, and be the main point of contact for, the centre in matters relating to the general administration of awarding body examinations and assessments.

The headteacher/Principal on site (the head of centre) may not appoint themselves as the examinations officer. A head of centre and an examinations officer are two distinct and separate roles.

The head of centre and/or examinations officer may operate across more than one centre. In such cases the head of centre must ensure there is suitable senior leadership team support in place, so they can meet their obligations across all centres for which they are responsible. The head of centre must ensure that these arrangements are covered by their examination contingency plan. ([GR](#), section 2)

Head of centre responsibilities

The head of centre is the individual who is accountable to the awarding bodies for ensuring that the centre is always compliant with the published JCQ regulations and awarding body requirements to ensure the security and integrity of the examinations/assessments.

It is the responsibility of the head of centre to ensure that all staff comply with the instructions in the (*Instructions for conducting examinations*) **booklet.** Failure to do so may constitute malpractice as defined in the JCQ publication *Suspected Malpractice: Policies and Procedures, 1 September 2023 to 31 August 2024*: <https://www.jcq.org.uk/exams-office/malpractice> (ICE Introduction)

 - the location of the centre's secure storage facility in a secure room which must only be used for the purpose of administering secure examination materials
 - the secure room only contains exam-related material
 - there are between two and six keyholders only, each keyholder must fully understand their responsibilities as a key holder to the secure storage facility
 - access to the secure room and secure storage facility is restricted to the authorised two to six keyholders (the exams officer must be one of the keyholders) and staff approved by the head of centre are accompanied by a keyholder at all times

Policies/procedures

Malpractice Policy (Exams)

The Malpractice Policy (Exams) can be found in TEAMS – UK COL Academic – General – School Policies – Examination Policies. All staff are asked to ensure they are familiar with all exam policies and JCQ regulations and guidance (including AI Use in Assessments: Protecting the Integrity of Qualifications) which can be found in Teams – UK COL Academic – General – School Policies – Examination Policies – JCQ Guidance.

- Ensures risks to the exam process are assessed and appropriate risk management processes/contingency plans are in place (that allow the senior leadership team to act immediately in the event of an emergency or where the head of centre, the examinations officer or Head of Learning Support is absent at a critical stage of the examination cycle)
The examination contingency plan should reinforce procedures in the event of the centre being unavailable for examinations owing to an unforeseen emergency.
All relevant centre staff must be familiar with the examination contingency plan. Consideration should be given as to how these arrangements will be communicated to candidates, parents and staff should disruption to examinations occur.

Consideration may also need to be given to the centre's policy on sharing candidates' results and other exams related information with those with parental responsibility and third parties

Legislation on sharing information

Under the principles of the General Data Protection Regulations 2018 and the Data Protection Act 2018, children and young adults can assume control over their personal information and restrict access to it from the age of 13. This suggests that candidate consent should be sought to share results or other exams-related information with a third party.

Other legislation and guidance may need to be taken into account regarding sharing information with parents, as example information from the DfE for schools regarding parental responsibility and school reports on pupil performance:

- Understanding and dealing with issues relating to parental responsibility (last updated 24 August 2023 to include) www.gov.uk/government/publications/dealing-with-issues-relating-to-parental-responsibility/understanding-and-dealing-with-issues-relating-to-parental-responsibility

Access Arrangements Policy

The SEND policy can be accessed in TEAMS – UK COL Academic – General – School Policies – Examination Policies. Anyone can request a copy from the exams officer.

Access Arrangements in Examinations

Colchester Prep & High School's policy on Extra Time and Access Arrangements in examinations strictly follows the current regulations and guidance issued by the Joint Council for General Qualifications.

Extra time for candidates with learning difficulties will be given when an approved external assessor has carried out an assessment and extra time in examinations has been recommended in accordance with JCQ regulations. The assessment must have been carried out after entry into Year 9. Pupils who are allowed extra time are identified in the school database. Any pupil who is assessed and is recommended for extra time may require regular support from the Learning Support department in the Senior School. The nature and frequency of this support will vary according to the needs of the individual. The Deputy Headteacher Pastoral/HoLS will assess each case and advise parents accordingly.

An approved assessor with whom Colchester Prep & High School has an established relationship, will be necessary before any applications for access arrangements are made to the examination boards.

Identification of need in the Senior School

Where pupils have not previously been identified, or have been identified only through screening procedures, a full assessment can be arranged. If the Deputy Headteacher Pastoral/HoLS feels that a pupil would benefit from a formal assessment, the parents will be informed, and a report requested. In accordance with JCQ regulations, the assessment must be carried out by an appropriately qualified assessor who has an established relationship with the school. Professional qualification details will be kept on file for Inspections (e.g. photocopy of certificate or printout of screenshot of HCPC or SASC registration). The professional must present evidence of successful completion of a post-graduate course in individual specialist assessment at or equivalent to Level 7.

An access arrangements assessor who has successfully completed a postgraduate course at or equivalent to Level 7, including at least 100 hours relating to individual specialist assessment which must include training in all of the following: the theoretical basis underlying psychometric tests, such as the concepts of validity and reliability; standard deviations and the normal curve; raw scores, standard scores, quotients, percentiles and age equivalent scores; the concept of statistically significant discrepancies between scores; standard error of measurement and confidence intervals; the appropriate use of nationally standardised tests for the age group being tested; the objective administration of attainment tests which can be administered individually. This must include tests of reading accuracy, reading comprehension, reading speed and spelling. Appropriate methods of assessing writing skills, including speed, must also be covered, the appropriate selection and objective use of tests of cognitive skills.

There is no specific JCQ regulation that refers to a 'policy' requirement in this respect though it might be good practice to bring all aspects of the process together in one place thereby confirming the centre complies with [GR](#) (section 5.4) **Access arrangements and reasonable adjustments**

Conflicts of interest

- Ensures the relevant awarding bodies are informed before the published deadline for entries for each examination series of any potential conflict of interest where:
 - a member of centre staff is taking a qualification at the centre which includes internally assessed components/units (noting that being entered by the centre must be as a last resort where unable to find an alternative centre)
 - a candidate is being taught and prepared for a qualification which includes internally assessed components/units by a member of centre staff with a close relationship to the candidate
- Maintains clear records that confirm the measures taken/protocols in place to mitigate any potential risk to the integrity of the qualifications affected by the above, and where:

 - a member of centre staff is taking a qualification at another centre

Conflicts of Interest Policy (Exams)

Word Processor Policy (Exams)

This policy can be accessed in TEAMS – UK COL Academic – General – School Policies – Examination Policies. Anyone can request a copy from the exams officer.

The 'normal way of working' for exam candidates, as directed by the head of centre, is that candidates handwrite their exams. An exception to this is where a candidate may have an approved access arrangement in place, for example the use of a scribe/speech recognition technology.

The use of word processors

There are also exceptions where a candidate may be awarded/allocated the use of a word processor in exams where the candidate has a firmly established need, it reflects the candidate's normal way of working and by not being awarded a word processor would be at a substantial disadvantage to other candidates.

Needs might include where a candidate has, for example:

- a learning difficulty which has a substantial and long-term adverse effect on their ability to write legibly
- a medical condition
- a physical disability
- a sensory impairment
- planning and organisational problems when writing by hand
- poor handwriting

The only exception to the above where the use of a word processor may be considered for a candidate would be

- on a temporary basis as a consequence of a temporary injury at the time of the assessment
- where a subject within the curriculum is delivered electronically and the centre provides word processors to all candidates

Arrangements for the use of word processors at the time of the assessment

Appropriate exam-compliant word processors will be provided by the IT department in liaison with the HoLS and the Exams Officer. In exceptional circumstances where the number of appropriate word processors may be insufficient for the cohort of candidates approved to use them in an exam session, the cohort will be split into two groups. One group will sit the exam earlier than or later than the awarding body's published start time. The security of the exam will be maintained at all times and candidates will be supervised in line with section 7 of ICE.

Refer to [GR](#) (section 5.3) **Policies available for inspection** and [AA](#) (section 5.8)

- Ensures criteria for candidates granted alternative rooming arrangements is clear, meets JCQ regulations and best meets the needs of individual candidates and remaining candidates in main exam rooms

Alternative Rooming Arrangements Policy (Exams)

Alternative rooming arrangements (for example a room for a smaller group of candidates with similar needs) is an available access arrangement as defined in the JCQ regulations. This is an arrangement where a candidate with an established difficulty may be eligible to take their examinations in a smaller environment away from the main examination room.

At Colchester Prep & High School, decisions on the awarding of the arrangements are made by Cora Allen, Head of Learning Support. Decisions are based on:

- Whether the candidate has a substantial and long-term impairment, which has an adverse effect (AA 5.16)
- The candidate's normal way of working within the centre (AA 5.16)
- Ensuring the proposed arrangement does not unfairly disadvantage or advantage the candidate (AA 4.2.1)
- Nervousness, low level anxiety or being worried about examinations is not sufficient grounds for separate invigilation within the centre (AA 5.16)

Alternative rooming arrangements will be considered where the arrangement would prevent a candidate from being placed at a substantial disadvantage and where the following conditions are met:

- The candidate has an established difficulty as defined in section 5.16 of the JCQ's **Access Arrangements and Reasonable Adjustments** publication (ICE 14.18)
- The candidate's disability is established within the centre and known to relevant staff or a senior member of staff with pastoral responsibilities (AA 5.16)
- Alternative rooming arrangements reflects the candidate's normal and current way of working in internal tests and mock examinations (AA 5.16)
- Where a candidate sits their examinations in a smaller environment away from the main examination room, the regulations and guidance within the JCQ publication **Instructions for Conducting Examinations** will be adhered to, particularly in relation to accommodation and invigilation arrangements (ICE 14.18)

At Colchester Prep & High School, arrangements for seating candidates in rooms separate to the main cohort may be put in place in other circumstances. As and when applicable, these circumstances include when candidates are using word processors, a reader or a scribe.

Senior leaders, Teaching staff

- Support the Head of Learning Support in determining and implementing appropriate access arrangements/reasonable adjustments
